

## **Company Profile: DevTeam Limited**

## **Executive Summary**

[DevsTeam Limited](#) (Registered under joint stock Bangladesh) is built by a group of 5 young entrepreneurs in Dhaka, Bangladesh. We love to cook Responsive Web Design, Search Engine Optimization (SEO), Social Media Marketing, Conversion Rate Optimization, and Online Reputation Management and provide E-Commerce Web Development solutions that extend the power of your Business.

With an experienced team of specialists, we deliver high quality (that actually works!) & cost effective (yes, cost effective!) solutions. We have all sizes of clients ranging from start-ups to large companies who want to get some best stuff and stand above the crowds.

Most importantly, we love what we do and whatever we are servicing is our passion. Accumulation of our brilliancy and expertise leads our clients to seat back and follow the success.

### **Our Vision**

Standing above the crowds and creating buzz in all over the world by providing guaranteed and result based services along with awe-freaking-some products is our vision. World-Class web based services that are unique, exceptional and brilliant which everybody will love and this is the way we will take our company to the supreme height.

When people will name us they will find an organization where trust and affordability will be given highest priority.

### **Our Mission**

We brainstorm and people succeed. We help people to run their web based business instantly by providing a holistic services from designing, developing to marketing and engaging them in social media.

☑ House # 304, 5<sup>th</sup> Floor, Elephant Road (Old), Dhaka - 1205

We are working on developing some Internet Marketing products, coming up with some unique ideas and dealing with some problems that most of the business owners are facing.

## What We Do: Our Expertise

- **Search Engine Optimization:** Being focused on ethical white hat SEO, we ranks client's page at top of Search Engine Result pages, which are stable, and the entire algorithm proofed.
- **Responsive Web Design & Development:** We make website responsive, so that it suits & run in any Mobile, Desktop or Tablet devices one can imagine.
- **Social Media Marketing:** We are social media power users and know exactly how to reach the maximum-targeted people within a limited time. Creating BUZZ on Social Media is our passion.
- **Conversion Rate Optimization:** We spilt test each of your pages and turn your existing visitors into buyers as because ROI matters to you.
- **Online Reputation Management:** We manipulate the positive reviews of your Company or Individuals on the first page of Google or other search engines and besides, remove all the negative news or articles from there.
- **Paid Per Click (PPC):** We handle all the PPC stuffs on various trusted networks by our expertise and assure higher Return on Investment.
- **Brand Management & Promotion:** We promote Brands of corporate & Individuals and promote them to all over the world using Social Media, Blog & related discussion WebPages.
